About

James E. De Martino

I am a 1972 graduate of Newark State Teachers College (now Kean University) and a 1979 graduate of the Seton Hall University School of Law.

In addition to being a member of NJ Bar since 1979, I was a former high school teacher and an assistant varsity [football coach](#) for [Immaculata High School](#) in Somerville, NJ.

I take pride in these credentials because my training as a teacher and football coach enables me to breakdown Medicaid Planning concepts that you and your family can understand.
